# Military-Grade Laundry Detergent

## DECONTAMINATES & ELIMINATES CWA + BWA Residues In Clothing

### Military-Grade Laundry Detergent

*Eliminating cross-contamination from laundry protects you, your family, and the environment.*

**NEOSAN LABS DKON LAUNDRY** completely removes chemical toxins and riot defense agents that cause lingering irritation to eyes, nose, and skin. This special formulation breaks down contaminants, odors, and stains on a molecular level. The resulting wastewater is nontoxic, biodegradable, and 100% safe for the environment.

**All this with a single laundry cycle**—your washer gets a deep-cleaning tool!
